REPORT OF THE LIBRARY TRUSTEES

The Trustees of the Hampton Falls Free Library feel that 1960 has been a very successful year. Our "Library Week" exhibit was well attended by people from surrounding towns as well as by our own townspeople. We were one of the ten libraries in the state receiving prizes for the best exhibits.

The installation of a chandelier, which formerly hung in the town hall, was made possible by the generosity of Mrs. George Brown and the fine supervision of Mr. Edwin Janvrin. This was brought about by Mrs. Brown's excellent rug exhibit whereby we realized $224.50. The expenses of installing the chandelier and rug exhibit netted to $155.94 giving the Library a net profit of $68.56 which is earmarked for books.

Gifts have been received such as books, bookcase, pictures etc. for which the Trustees have been very grateful.

Story hour is held twice a month at the Library and very much enjoyed by the children.

As of October 1960 the Library has been open on Tuesday evening from 7 to 9 P. M. for the benefit of the students and townspeople. At this time we would like to leave it to the discretion of the people whether or not they wish to have this continued for the school year.

Total circulation in the year of 1960 was 6,306 as compared to 5,558 in 1959 which shows an increase of 748.

Respectfully submitted,

GEORGE F. VIGNEAU,
WALTER W. COMBS,

VOLUNTEER FIRE DEPARTMENT

HAMPTON FALLS

We have made good headway on the addition to the fire station and because of this new stall we were able to make an application for a surplus fire truck through the Forestry Department of New Hampshire. We now have a Mack fire truck with a 750 gallon per minute pump.

We are planning to put a tank on this truck, and have a hose storage space on each side.

We still have a great deal of work to do at the station to finish the hose tower, the furnace room and the inside of the new stall, also to finish the toilets and the outside stairway for the meeting room.

The Ladies' Auxiliary have done much for us by furnishing the vinal floor for the hall and kitchen, the counter top, stainless steel sink, and dishes. They have also bought five dozen folding chairs.

We have ten new tables and will be able to put on some suppers to help pay for this addition.

LOUIS B. JANVRIN,

Chief

REPORT OF SUPERINTENDENT OF SCHOOLS

January 3, 1961
To the School Board and Citizens of the
School District of Hampton Falls:

"I view education as the most important subject we as a people can be engaged in."

Abraham Lincoln

I wish to take a few moments of your time to submit my third and final report as your Superintendent of Schools. I have enjoyed serving you and wish to thank you for your part in the granting of the matchless opportunities that have come my way.

The Lincoln Akerman school is keeping pace with the progress in education. While it has not been possible to do all that many of us would wish to do, nonetheless, continued forward movement has been accomplished.

This has been due, in most part, to the competent staff that has been employed by your School Board. I was pleased that every member of the 1959-60 staff chose to return and I am hopeful that a repeat of this will be your lot for the forthcoming year.

You well know of their accomplishments so I will not take the time to review them. Mr. Nicholas Kontinos, your Principal and Grade Six Teacher, possesses the happy combination of an excellent instructor with the indefatigable energy of a superior administrator. This partnership results in "tight ship". The other members of the faculty, Mrs. Mahoney, Mrs. Marston, Miss Harvey, and Mr. Shevenell perform equally well in their own way. Your generous granting of a substantial salary increase manifested your satisfaction and appreciation. I hope the same holds true for this year.

The budget, not completed at this date, will show increases in about the same areas as last year, Teachers' salaries and tuition. Other areas will vary with some being slightly increased and others showing a downward trend. Some of the latter reflects adequate expenditures over the past few years while the former is indicative of additional needs in specific areas.

Our Supervisory Union, after an attempt to reorganize with a reduction in size, will remain as constituted for another year. The School Boards, of all eight districts, are again submitting to the citizens the article concerning an Assistant to the Superintendent. This item warrants your favorable reaction.

One item that I wish to discuss is the inclusion in special articles of a modest sum for an assistant teacher to aid with the reading program and a small sum to provide clerical assistance to the Principal to free him for more teaching activities. At the present time we find that the large grades, two of which are combined, could well use the service of another teacher, especially in the area of reading.

Because there is not sufficient room in the building to accomodate a full-time Teacher, the School Board offers you the opportunity to authorize a part-time person. I think this is money well invested and hope that you will support your School Board.

At this point I feel that I should mention the need for more space at the Akerman School and urge that you approve any proposal that will lead to this provision. This item has been decisively defeated at the last two school district meetings but it still is worthy of your attention, and support.

The provision of a part-time clerical assistant is to enable your Principal to spend less time in administra-

tive work and more in the classroom. This is another fine idea and one that merits your approval.

I wish to thank all who have assisted with the operation of the Akerman School. The School Board, the staff, volunteer aides, interested citizens, civic groups, and the personnel of the central office, with special mention of Mis Leota Whitcomb, Helping Teacher, and Miss Edith Hammond, Executive Assistant; all have contributed to the accomplishments achieved.

Again, thank you for the opportunity to work with you. My best wishes for the future success of your school and community.

Respectfully submitted

C. M. GREEN,

Superintendent of Schools
